We Three Kings

by: Bil Curry

You know I'd do this on one Christmas or another so this is the year. We'll get serious again next year. There are many variations of "We three kings of Orient are, tried to smoke a rubber cigar. It was loaded and exploded now we are seeing stars" but if you're playing for kids the following seems perfect for the Lowrey.

Setup:

EZ Waltz (or other style in 3 / 4) ... **Tempo 110** (+/-) ... **Intro** button is optional.

Press the **Feature** button, go to **Page 3**, select **Lower Sound Effects** and put **Explosion** on all the white keys and **Thunder** on all the black keys.

Here's how:

1. Press the big button that says **Off** and it should then say **On** or **Top**.
2. Press **Assign** and use the **Scroll** buttons to go up or down to **Explosion**.
3. Play & put this sound in the highest white keys of the lower right (D to high C).
4. Scroll up to **Thunder** and now play the highest 5 black keys on the lower right.
5. Press **Locked** before you do anything else.

You can also use the green **Sound Effects Genius** buttons (top end Lowreys only). Select the **Keypad** and key the numbers **532** (Explosion) and touch button **1**. Then key **584** (Thunder) and press button **2**. When the music calls for SFX (Sound Effects) play both sounds. If you don't have Sound Effects just smash the lowest 5 or 6 keys on the upper keyboard. *Memorize this to a Setup (like A-1) "with Style" for a quick setup later.*
