Making Music and Having Fun During the Holidays

L.I.F.E. members have a high level of energy as a standard, but during the holidays that level gets turned up a notch to 11. Here are just a few examples of all the music, fun and fellowship L.I.F.E. members created recently.

Träumerei

by: Bil Curry

This is the opening and closing song for the movie "Song of Love" (1947) about the life of Robert Schumann, his wife Clara Schumann, and Johannes Brahms.

Starring Katharine Hepburn, Paul Henreid, & Robert Walker, it is considered one of the best music bios Hollywood has produced. Träumerei (dreaming or day-dreaming) is from a set of thirteen pieces written for piano in 1838 titled "Kinderszenen". Here Schumann is providing us with his adult reminiscences of childhood.

Performance: The song has lots of chords but since it is expressive you can slow down when the chords are only one beat apart. Use General Preset # 8 (piano & strings) and press the EASY button for easy chords. "Rit." means that you gradually get slower and slower. If you want to use a style try Soft 'n Easy.

Happy Valentine's Day,
Bil Curry
