Riverdale, Utah

Sandy Sandor of the LIFE in Utah Chapter turned in her LIFE points for a home visit by a Lowrey Artist. Sandy chose Mr. Dennis Awe. Instead of Sandy having just a private concert in her home, she decided to have the concert at the Piano Gallery in Riverdale and invited all of her classmates from her Wednesday Lowrey Class. Along with spouses and friends a total of 40 people were able to enjoy the music and artistry of Dennis Awe. The glasses were a spoof on Dennis' famous black horned rim spectacles. What a terrific way to have a musical party!

Oh, You Beautiful Dolls

The Dallas Metro LIFE Chapter celebrated the season in April with so much ingenuity. Pictured below are the lady members parading their hand-crafted, one of a kind chapeaus. The men of the chapter acted as judges and selected the best from five categories: most stylish, most unusual, most creative, funniest, and cutest.

Special L.I.F.E. Announcement

L.I.F.E. wishes to express its wholehearted appreciation for the leadership, guidance, and enthusiasm offered by the current and former holders of the offices of National Chapter President and National L.I.F.E. President. The time and effort invested by these individuals on behalf of all L.I.F.E. members is a tremendous asset for the organization.

Current office holders: Dennis Kaplan, Joyce Kaplan, and Tom Moeglein, and former office holders Barb and Kelly Conrad, are credited with being among those who helped create the structure, function, and vision of the L.I.F.E. program. For that we are truly grateful. It is good to know they remain active members in their local L.I.F.E. organizations.

Effective July 1, 2012 the L.I.F.E. offices of Chapter President and National President will be retired. Please direct all future inquiries regarding L.I.F.E. operations to Jacqueline Mavros. Email: jacquelinem@lowrey.com Phone: 708-352-3388 x 230

Alan Jackson

by: Bil Curry

Over the next few months there are some really nice songbook titles offered in the EZ Play Songbook section of the newsletter. In this issue we have the opportunity to play from *Precious Memories*, a collection of gospel songs given that unique Alan Jackson flavor. To the right are registration suggestions for the songbook. Go to "YouTube.com" and search for "Alan Jackson (song name)" to hear his stylings and get a feel for the Mr. Jackson rendition. If your instrument does not have the settings suggested, schedule a "bench session" at your Lowrey dealer for some help.

In the May issue of L.I.F.E. Style we shared the song "Take Me Out To The Ball Game" to celebrate the arrival of the baseball season. You may recall us mentioning in the article that Dwayne Hilton plays a Lowrey at Busch stadium, home of the world champion St. Louis Cardinals. Here are a few photo of Dwayne with the World Series trophy and some shots of his Championship Ring. That's right folks, the Lowrey player gets a ring, too! Congratulations once again Dwayne. You rock the stadium!

Dwayne Hilton, the 2011 World Series trophy and the ring! Dwayne is also an associate at Lacefield Music in St. Louis.

Many Chapters and individual members have expressed an interest in joining forces in support of a national charitable organization, specifically 'Homes For Our Troops' (<http://www.homesforourtroops.org>). Given the creative force and unique abilities of L.I.F.E. chapters and L.I.F.E. members this is a wonderful idea, so watch for a forthcoming kick off announcement for the L.I.F.E. effort, visit the HFOT web site, and start thinking about what your group can do to get involved. It will be fun and benefit so many others.
