113 Homes in 35 States!

Members of the L.I.F.E. in Utah Chapter, sponsored by Piano Gallery of Riverdale, Utah attended the Homes for Our Troops key turnover ceremony on a house built for Corporal Isaac Jensen in West Point, Utah, ten miles west of Ogden, Utah. Cpl Jensen, an U.S. Army Medic, lost both of his legs in combat serving in the middle east. The Corporal, his wife, and young son now have a mortgage free home that was built to enable him to maneuver around the house in his wheelchair.

Homes for Our Troops is a fantastic non-profit charity that builds specially-equipped homes for our wounded warriors all across America. To date Homes for Our Troops have built 113 homes in 35 states.

The L.I.F.E. in Utah Chapter will continue to support Homes for Our Troops by holding a Silent Auction this month. Members of the Chapter have donated music books, organ music CDs and DVDs and even Lowrey Artist Registration Setups for the silent auction. All proceeds to go to building more houses for our Wounded Warriors by this great charity, Homes for Our Troops. Please share your photos and how your chapter is supporting Homes for Our Troops. *Story and photos by Tom Moeglein*

Colonel Bogey March

by: Bil Curry

The "Colonel Bogey March" is a popular march that was written in 1914 by Lieutenant F. J. Ricketts (1881-1945) under the pseudonym Kenneth Alford. The term "bogey" in golf means scoring one stroke over par and 19th century golfers would often say they were competing against Colonel Bogey.

Many humorous, commercial, satirical, and even vulgar verses have been sung to this tune. Here's my commercial version:

*"Lowrey, it makes you sound so good.
Lowrey, I'd play all day 'if I' could.
Lowrey, there's nothing like it.
If you would try it, you'd buy it, today."*

Ok, I'll stop. Here's the song and how to set it up:

Style: March **Thundering** at Tempo 98 (+/-)

For preset A-1: Start with **Rhythm Preset 0**

- With the **Keypad** press 272 (Whistle) and touch **Genius 1**
- Turn OFF the **Solo Upper On** button
- Turn ON the **Duet Harmony** button

For preset A-2: Start with **Rhythm Preset 10**

- Turn OFF AOC
- Set **Upper Octave Orch Solo** down one octave
- Turn OFF the **Solo Upper On** button
