## Speed Painting

Certainly a new experience for Lowrey! The Intercontinental Hotel near Chicago's O'Hare airport recently hosted a speed painting event. Musical accompaniment was provided with an EZP3 Easy Piano while artist, Aaron Kizer painted portraits in approximately 4 minutes each. The reception and performance art event drew attendees from as far away as Puerto Rico and was a great opportunity for people to see and hear a Lowrey, some for the very first time.

## An Afternoon of Music in Arizona!

In Late November 2013 the folks at Fletcher Organ Studio in Green Valley, AZ hosted a concert and pot luck event for members and their friends. The crowd filled the classroom and flowed into the store. Everyone enjoyed the music and food, plus a number of people joined our chapter and signed up for classes.

The highlight of the afternoon was a drawing in which invited guests had a chance to win a free Lowrey instrument along with music classes. Michael Stout was the lucky winner!

Events like this are a great way to introduce people to our world of music and the friendships we enjoy at the studio.

*Clair de Lune* is French for moonlight and is the third and most famous part of Claude Debussy's *Suite Bergamasque*.

Debussy was inspired by the Paul Verlaine poem of the same name, which we share below.

Here are some easy setups. We will not be using a style this time.

- On the EZ-2 & EZ-4 press the **Smooth** style button, then immediately turn it off.  
Now press the **Easy** button, and **Duet** harmony.
- On the EZ-10 and EY-300 Fanfare press **Setup #1**, the **Easy** button, and **Duet** harmony.
- On the Lowrey elite “A,” & “SU” series press **General Preset #8**, the **Easy** button, and **Duet** harmony.
- Play the song as written and turn off the Easy button as you release the last note.
- Don't play with strict timing but vary your speed as the mood of the music takes you along.

Happy New Year!
