# Rockabilly

by: Bil Curry

*Rockabilly is an early 50's style that often retained the swing feel of the 40's combined with a small but high energy band (guitar, "slap-bass", & drums). This style was the beginning of rock & roll. Buddy Holly, early Elvis, Bill Haley, and more recently The Stray Cats are examples of the Rockabilly style. Setup is as follows:*

**Style:** Rockabilly or 50's Swing Rock / 50's Guitar Rock

**Sound:** Country Guitar (look in the Country Category) or any other guitar sound

**Notes** - Set your tempo to whatever is comfortable you. You may need to practice page 2 at a much slower tempo until you feel you know the notes. When you have *Fake It!* on your Lowrey, you can substitute that feature for the improvisation. Even better, play the improvisation the 1st time through then repeat the song (no Intro) and substitute *Fake It!* the 2nd time you get to the improvisation. Don't forget to change the chords when using *Fake It!*. Stop *Fake It!* and press the Ending button to finish. *Have fun!*
